Human Lifespan Development is a mandatory unit which is externally assessed. This unit is made up of four areas of study. They are human growth and development through the life stages, factors affecting human growth and development and the effects of ageing.

\*\* If you have difficulty in accessing IT resources to produce this work, you may complete it by hand, making sure you write clearly and neatly.

This unit uses the abbreviation of PIES to represent the FOUR areas of human development.

## PIESstands for:

hysical development ntellectual development ocial development motional development

Produce a spider diagram or a mind map which includes the following information:

- a. A definition for each of the PIESin relation to human development
- b. Examples of how each area of human development can be recognised in children and people.

You can choose to write your examples, draw images, or use photos. The image here represents physical development as it shows children running in a race.

BTEC Pearson s have produced a several learning resources which will be useful for you. They have textbooks, revision guides and study guides designed to help you complete the course and do well in the relevant exams. The resources include:

Publisher: Pearson ISBN: 9781292126012

Author: Marilyn Billingham, Pamela Davenport, Hilary Talman,

Nicola Matthews, Beryl Stretch, Elizabeth Haworth

Publisher: Pearson ISBN: 9781292126029

Author: Carolyn Aldworth, Nicola Matthews, Sue
